The Crisis

"THESE are the times that try men's souls. The summer soldier and sunshine patriot will, in this crisis, shrink from the service of their country; but he that stands by it now, deserves the love and thanks of man and woman"

FOR YOUR CONSIDERATION

Stewardship

Many years ago, during GPSCH's pioneering days, Julie H. Linden, PhD served two consecutive two-year terms as this Society's President. Recently, Karen Clark-Schock, PsyD gave us her leadership as President for two consecutive terms when our Society was suffering dwindling membership as was the case for all professional organizations. Currently, Jeffrey E. Celebre, PhD is gifting us his unprecedented 3rd consecutive term as GPSCH President. Jeff and I remain the only remaining members on the GPSCH Board of Governors. We, with Administrative Director Suzanne Malik who takes on the day-to-day operations functions, continue to ensure GPSCH fulfills its mission providing the professional community high quality continuing professional education in hypnosis that is accredited by both the American Society of Clinical Hypnosis and the American Psychological Association.

We fill our Academic Calendar such that if a psychologist attends all presentations, he/she will satisfy necessary CE credits for psychology licensure renewal as well as renewals for ASCH Certification/Approved Consultant status. And this can be done at reasonable financial cost in the comfort of your own home via

webinar. As well, the presenters are internationally renowned, and the topics are leading edge in health care. The reality is that we will not be able to continue as we have for decades without your active participation. If you do not believe you are able to commit to becoming a board member, then please consider submitting your suggestions for webinar presenters/topics. Do not be a summer soldier or sunshine patriot and shrink from contributing to our Society.

Be deserving of "the love and thanks of man and woman" professionals who gratefully attend our webinars. Contact Jeff (jcelebre@verizon.net) or me (Stephen.Glass@crozer.org) and give us names of speakers and topics you want GPSCH to provide. And you can thank yourself for being a good steward of our Society. - SGG
